Thank you for choosing Dutil Family Dentistry. Our mission is to provide our patients with the finest and most comprehensive dental care available. An important part of our mission is making the cost of optimal care as easy and manageable as possible by offering several payment options.

**Payment Options**

- Cash or Check (Dutil Family Dentistry charges a \$25.00 fee for returned checks. This fee of \$25.00 and the amount of the check returned must be **paid in full** and in **cash**.)
- Credit Card- Mastercard/Visa/Discover/American Express
- Interest free payment plans from CareCredit (subject to credit approval).  
\*CareCredit allows you to make monthly payments with NO INTEREST (As long as the monthly payments are paid during the promotional period. Otherwise, interest is assessed from the purchase date.) ----**Please ask us for more information.**

**Please note:**

Dutil Family Dentistry **requires payment at the time of your treatment.**

As a courtesy to our patients with dental insurance we are happy to work with your insurance carrier by billing them directly for reimbursement for your treatment. However, we are **not** contracted providers with any dental insurance carrier and you are responsible for payment of any portion that your insurance carrier does not cover. The **ESTIMATED** portion that your insurance carrier does not cover is due at the time of treatment. Occasionally, an insurance carrier will mail payment for services directly to the insured member, if this occurs the patient will then be responsible for payment in full.

We accept payment in halves for major services that require two or more visits. Services considered major are crowns, bridges, partials and dentures.

If you have any questions, please do not hesitate to ask. We are here to help you get the dental care you want or need.
